Hon. Sylvia Olga Fedoruk, O.C., S.O.M.

Lieutenant Governor of Saskatchewan

Lieutenant Governor Sylvia O. Fedoruk was sworn into office as the seventeenth Lieutenant Governor of Saskatchewan on September 7, 1988, at a public ceremony in the Legislative Building in Regina.

Born in Canora in 1927 and educated at the University of Saskatchewan, Sylvia Fedoruk has had a distinguished career in medical physics, specializing in the use of radiation in the diagnosis of treatment of cancer. For thirty-five years Miss Fedoruk was associated with the Saskatoon Cancer Clinic, where she served as Chief Medical Physicist, and with the Saskatchewan Cancer Foundation, where she was director of Physics Services. Miss Fedoruk held the positions of Professor of Oncology and Associate Member in physics at the University of Saskatchewan. She is Professor Emeritus in the Department of Oncology, University of Saskatchewan.

Miss Fedoruk served as Chancellor of the University of Saskatchewan from 1986 to 1989.

Miss Fedoruk was involved in the development of the world's first Cobalt 60 unit and one of the first nuclear medicine scanning machines. She served for fifteen years as a member of the Atomic Energy Control Board of Canada. She also served as a consultant in nuclear medicine and to the International Atomic Energy Agency in Vienna.

An avid curler, Sylvia Fedoruk was inducted into the Canadian Curling Hall of Fame in 1986. In the same year she was voted Y.W.C.A. Woman of the Year and made a member of the Saskatchewan Order of Merit - the province's highest honour. In 1987 she was named an Officer of the Order of Canada and received an honorary doctorate of science from the University of Windsor. She was also vice-chairman of the National Forum on Post-Secondary Education held in Saskatoon that year.

Until her vice-regal appointment, Miss Fedoruk was a member of the Saskatchewan Commission on Direction in Health Care.

Hon. D. Grant Devine
